UNO STILE CLASSICO OLTRE IL TEMPO

UNO STILE CLASSICO OLTRE IL TEMPO

La classicità eterna del marmo, con le sue venature e la sua estetica inconfondibile è racchiusa nella nuova collezione Marmorea2. Cinque i colori, dal bianco più puro al grigio più intenso, e molteplici formati, definiscono superfici preziose e moderne che sposano l'idea di una nuova eleganza.

Marmorea2 trae ispirazione dalle grandi lastre dei seguenti Marmi: Crema Avorio, Jolie Grey, Breccia Capraia, Emperador Light, Amani Grey.

Il pavimento decorato, proposto in 3 varianti diverse, richiama la tecnica dell'inserimento di piccole tessere marmoree in una superficie cementizia. Tutte le tipologie di Marmorea2 sono inserite all'interno della decorazione che può quindi essere abbinata a ciascuno dei Marmi presentati.

Un effetto marmo che grazie alla sua varietà grafica e alle due differenti finiture, levigata e matt, permette di arredare qualsiasi tipologia di ambiente, da quello più classico a quello più minimale, rispondendo così alle esigenze più attuali di interior design e lifestyle.

EIN KLASSISCHER, ZEITLOSER STIL

Die ewige Klassik von Marmor mit seinen Äderungen und seiner unverwechselbaren Ästhetik ist in der neuen Kollektion Marmorea2 konzentriert. In fünf Farben, vom reinsten Weiß bis zum intensivsten Grau, und zahlreichen Formaten ausgearbeitete kostbare moderne Oberfläche, die die Idee einer neuen Eleganz verkörpern. Marmorea2 holt sich die Inspiration bei den großen Platten folgender Marmorarten: Crema Avorio, Jolie Grey, Breccia Capraia, Emperador Light und Amani Grey. Der in 3 verschiedenen Farbvarianten angebotene dekorierte Fußboden ist an der Technik angelehnt, kleine Marmorelemente in eine Zementoberfläche einzufügen. Alle Typologien von Marmorea2 sind in die Dekoration eingefügt, die daher mit jeder der präsentierten Marmorart kombiniert werden kann.

Eine Marmoroptik, die dank ihrer grafischen Vielfalt und der zwei verschiedenen Oberflächenausführungen, der polierten und der matten, die Gestaltung jeder Art von Umgebung ermöglicht, von der klassischsten bis hin zur minimalisten, und so den aktuellsten Anforderungen des Innendesigns und Lifestyles gerecht wird.

A CLASSIC, TIMELESS STYLE

The eternal, classic nature of marble, with its veins and its unmistakable beauty, is to be found in the new Marmorea2 collection. Five colours - from the purest white to the most intense grey - and numerous sizes define the precious, modern surfaces that embrace the idea of a new elegance.

Marmorea2 draws inspiration from large slabs of the following Marbles: Crema Avorio, Jolie Grey, Breccia Capraia, Emperador Light and Amani Grey.

The decorated floor, offered in 3 different variants, uses the technique of inserting small marble tesserae into a cement surface. All the types of Marmorea2 are inserted inside the decoration, which can then be combined with each of the Marbles indicated.

This marble effect, thanks to the graphic varieties and the two different finishes, polished and matt, makes it possible to furnish any type of setting, from the most classic to the most minimal, meeting the latest interior design and lifestyle demands.

UN STYLE CLASSIQUE AU-DELÀ DU TEMPS

Le classicisme éternel du marbre, avec ses veinures et son esthétisme unique, se retrouve dans la nouvelle collection Marmorea2. Les couleurs sont cinq, du blanc le plus pur au gris le plus intense, tandis que de multiples formats définissent des surfaces précieuses et modernes qui reprennent l'idée d'une élégance nouvelle. Marmorea2 s'inspire des grandes plaques des Marbres suivantes : Crema Avorio, Jolie Grey, Breccia Capraia, Emperador Light, Amani Grey. Le sol décoré, proposé dans trois différentes variantes, évoque la technique de l'insertion de petites tesselles en marbre dans une surface en ciment. Toutes les typologies de Marmorea2 sont insérées au sein de la décoration qui peut donc être associée avec chacun des Marbres présentés.

Un effet marbre qui, grâce à sa variété graphique et à ses deux finitions différentes, polie et mate, permet de décorer toutes les typologies d'environnement, du plus classique au plus minimaliste, en répondant ainsi aux exigences les plus actuelles en matière de design d'intérieur et de style de vie.

MATT ••

TRAFFICO LEGGERO

Light traffic areas - Geringe Begehungsfrequenz - Zones à trafic léger

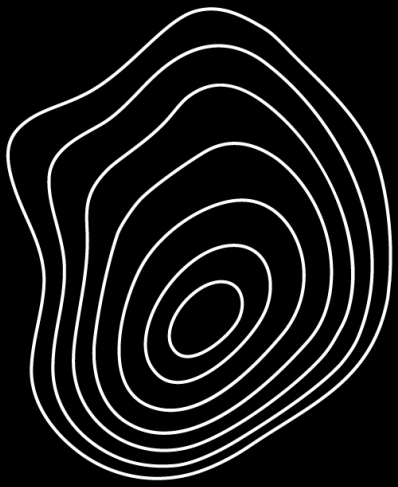

••
La finitura Levigata è indicata anche per pavimenti, ma soltanto in aree soggette a calpestio da traffico ordinario, protette da agenti abrasivi, in cui è già avvenuto un primo scarico di sporco normale tramite scale, preingressi, zerbini.

The Polished finish is also suitable for floors, but only in areas subject to ordinary traffic, protected by abrasive agents, in which normal dirt has already been left behind on stairs, areas before the entrance, doormats, etc.

Die Polierte Oberflächenausführung ist auch für Fußböden geeignet, aber nur in Bereichen mit normaler Trittbelastung, die vor scheuernden Substanzen geschützt sind, in denen bereits der erste gewöhnliche Schmutz auf Treppen, in Vorräumen oder auf Fußmatten abgeladen wurde.

La finition Polie est indiquée pour les sols aussi, mais uniquement dans des zones soumises à un piétinement courant et protégées par des agents abrasifs, où a déjà eu lieu un premier dépôt de saleté normale par le biais d'escaliers, de seuils d'entrée et de paillassons.

venture
