RECOMMENDED USE

Made.In matt finish is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential applications. The use of Made.In matt finish is not recommended for outdoor floors (for that application use Grip finish or Frontier20). Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20” inches or longer. Landmark recommends the use of leveler for a proper installation.

CARE AND MAINTENANCE
